Afternoon Masterclasses – 1:00pm to 4:30pm

Sydney, Brisbane, Perth, Melbourne and Auckland

Following a light networking lunch, our Masterclasses will provide deeper insight on some of the areas which have been received via feedback from last year's guests regarding areas of their business that they would find great value in exploring further.

The Masterclasses will kick off at approximately 1pm and will be held in Sydney, Melbourne, Perth, Brisbane and Auckland, making Recruitment Yarns a full day event in those cities.

Light refreshment will be available during the Masterclass sessions, and in the Yarns spirit you will be positioned to move between the two rooms to ensure you catch all the sessions that will help your business to Learn Share and Thrive!
